Terms:

- I understand that data provided by the African Wildlife Poisoning Database (AWPD) are issued to those named above only and must be protected due to sensitivity concerns.
- I understand that AWPD data may not be passed to any third party without written consent. This includes clients, agents and colleagues unless they are named above and have received a copy of this form.
- I may not copy, distribute, disseminate, publish or broadcast the data in any format, including on the Internet, without written consent. Raw data supplied by the AWPD, whether sensitive or not, may not be published as appendices or tables in public documents without written permission from AWPD.
- I will inform all of the AWPD administrators of any publications or reports emanating from use of AWPD data. A copy of any such publication or report will automatically be supplied to the AWPD administrators free of charge.
- I will acknowledge the AWPD in full in accordance with generally accepted academic referencing guidelines and principles in all parts of any series of publications or reports arising from the project in which the dataset, or information derived from it, was used. The source of the data will be acknowledged as the "African Wildlife Poisoning Database, the Endangered Wildlife Trust and the Peregrine Fund."
- I confirm that all data requested will be used for legitimate and legal purposes.
- I confirm that to the best of my knowledge neither I, nor any of my colleagues who may have access to data obtained from the AWPD, have been investigated or convicted of any form of wildlife crime.
- I confirm that, to the best of my knowledge, neither I nor any of my colleagues have been responsible for any misuse of data.
- I understand that the copyright of raw biological records remains with the original recorder and / or their organisation and that copyright of processed data and reports belongs to the Peregrine Fund (PF) and the Endangered Wildlife Trust (EWT).
- I acknowledge that I cannot use information for any purpose other than that for which it was requested.

- Data are provided 'as held' by the AWPD and were deemed to be accurate at the time of collection. The AWPD cannot guarantee the accuracy of data supplied, although all data are validated as far as possible.
- I will not hold the PF or EWT liable for problems/financial loss, which might arise from inaccuracy of any data supplied by the AWPD.
- Absence of records does not imply absence of a poisoning incident, merely that no records are held in the AWPD.
